

About Us

Welcome to Liptons Audio Video Unlimited.

Serving York Region and the GTA for 26 years, Liptons is a true Custom Home Entertainment Audio and Video independant specialty store, in the maze of big box warehouse store conformity.

Our dedicated and very knowledgable staff can assist you with your purchase of a new HD TV, , full scale audio system, dedicated home theatre systems, and multi-room audio/video applications. Our educated and experienced installation team can make your purchase a reality by handling anything from pre-wiring for an upcoming project, mounting your new tv and speakers, setting up and proگرامing your multi-room audio system, and teaching you how it all works.

Our Ad Cheque competitive pricing policy ensures that you pay the most competitive price.....everyday.....guaranteed. Total peace of mind in the important area of value for your dollar.

We carry the latest in all technologies: 3D HDTV, LED, LCD and Plasma ultra-thin TVs, dedicated home theatre projectors and screens, a wide selection of Blu-ray/DVD players, the most up-to-date home theatre amplifier/receivers, a wide variety of high performance speakers to fit any application, an incredible selection of multi-room audio controllers, keypads, iPod solutions, and music servers. All this, and at very competitive prices. Your needs will be met witi Liptons Audio Video Unlimited.

Stop by our store located at and speak with one of our sales specialists.
