

Introducing Paradigm SE Series

Paradigm's Special Edition (SE) Series is a limited and unique addition to our collection, combining elements from our affordable audiophile-quality Paradigm line and the higher-end Paradigm Reference line. SE speakers and the SE subwoofer with their soft edges, clean lines, state-of-the-art technology, compact dimensions and real wood veneer cabinets are an affordable stepping stone to the world of high-end audio.

Available in a beautiful rosenut or piano gloss black finish, they look as good as they sound. Stop by the store and have a listen to what many are calling the best new speaker in town. Now on display in Newmarket at Liptons Audio Video Unlimited.
